NOTICE:

This proposal of coverages and premiums is general in terms and may differ from actual coverage, conditions, insuring agreements and policy premium upon issuance of an actual policy. It is our intent to match proposals with issued policies as closely as possible; however exposures, coverages and policy options can change from the initial proposal which will result in higher or lower premiums.

Acceptability and use of scheduled credits or debits on this proposal is subject to acceptance and approval by our underwriting department.
